April 19, 2010

Dear Ms. Lara:

On April 15, 2010, Mr. Jorge Ochoa, OTR, provided a workshop training and demonstration for Drum Circle Facilitation for The Center for Health Care Services – Head Start Unit/Case Managers Staff. The training workshop was held at Stafford Early Childhood Education Center, from 8:00 am – 9:30 a.m.. The Head Start Unit with CHCS has purchased a large inventory of drums specifically for establishing drumming circles within the Head Start Centers. The training that Mr. Ochoa provided was excellent and very informative for our group. We cannot thank him enough for the time and energy he contributed towards making that an invaluable learning experience for our staff. We extend our deepest gratitude for his time and effort in helping to educate us on the art of Drum Circle Facilitation. The training which Mr. Ochoa provided CHCS will go on to help and expand the Mental Health Services for the Head Start Program.

Sincerely,

Bobbie Jean M. Davila, M.S., L.P.C.
